

Downloads

Download files

This enables you to download predefined sets of content. The entire Annual Report and its various sections can be downloaded as PDF files, and the tables in the Consolidated Financial Statements and Parent Company Financial Statements as an Excel file. You may download files individually, or several files at once as a zip-folder.

Site map

The site map shows you the pages that you have included in your report, and can also be used to add and remove pages. You can select either individual pages or complete sections by clicking on the main page of the section you are interested in. At the bottom of the sitemap, you can save your report in PDF format, email a link to the pages that you have selected, or delete all your selections.

You can also navigate to any page from the site map.
